James Moore Named One of Accounting Today's 2025 Firms to Watch and Regional Leaders!

Gainesville, FL (March 25, 2025) – For the third year in a row, James Moore & Company has been named a Firm to Watch and a Regional Leader by Accounting Today.

The leading information resource for public accountants nationwide, Accounting Today cited James Moore as one of 45 firms across the nation that bear watching (coming in at number 14 on the Firms to Watch list). This selection is based on revenues and growth, with Accounting Today noting that some companies previously named to the list are now among the top 100 accounting firms in the country.

The organization also cited James Moore as one of the top accounting firms in the Gulf Coast region, an area that includes the states of Florida, Alabama, Louisiana and Mississippi. The firm recorded 6.89% growth in 2024 to place it at number 8 in the region.

“In the three years in which we’ve been named a Firm to Watch, we’ve moved up in standing every year,” said firm CEO Suzanne Forbes. “This steady growth and progression up the ranks has been possible through our commitment to thoughtful strategies, embracing new technologies and processes, providing the highest level of service for our clients, and focusing on a culture that embraces the unique skills of our team.”

James Moore, founded in 1964, is a business consulting firm with offices in Daytona Beach, DeLand, Gainesville, Ocala and Tallahassee, Florida. The firm specializes in providing tax, auditing, accounting and controllership, data analytics, human resources, technology and wealth management services to clients nationwide.
